JACK REIMON

MAGICIAN & KEYNOTE SPEAKER

Make the *impossible*, possible.

Jack Reimon has been doing magic since he was four. A **magician, mentalist and hypnotist**, he studied in **Las Vegas** alongside magicians such as Lance Burton, Penn & Teller and Jeff McBride. Today he uses magic as a business tool: to innovate, sell and lead change.

He is one of the **19 LEGO® SERIOUS PLAY® trainers** worldwide and a partner at **Trivium**, a Danish strategic facilitation consultancy.

JACK REIMON

Keynotes you experience. *Ideas you apply.*

Every keynote is a Workshow: a talk where the core idea is proven with live magic and the audience takes part. People don't just hear it, they live it. That's why they remember it and act on it the next day. Other speakers tell you; Jack shows you, with magic techniques now studied by the neuroscience of attention, surprise and decision-making.
